

PRESIDENT WILL HONOR ATHLETES

Cables Congratulations to Sullivan and American Team.
No Doubt of His Intention to Meet Men Representing the United States.

OYSTER BAY, July 27.—President Roosevelt today, in a message which he sent to the American commissioner of the Olympic games in London, expressed a desire to shake hands with every one of the men whose feats placed the flag of the United States at the head of the colors of all nations in the athletic world which ended Saturday. That he will gratify this desire to grasp a hand of each of the athletes there is no doubt. Secretary Lobb, when asked to-day whether the President would go to New York when the victorious American team arrived there and take part in the ovation which is planned in their honor, said it was too early yet to say in just what way the President would extend his welcome. He said, however, that there are in the team, and it is thought that he had in mind plans for a reception of the athletes at Sagamore Hill.

SHOEMAKERS BAT INVINCIBLE FOX

[Special to The Times-Dispatch.]

LYNCHBURG, VA., July 27.—Long John Fox, hitherto a hard proposition for the locals, was hit hard this afternoon, and the Shoemakers won by the score of 3 to 2. Fox was hit much harder than the score indicates, for Lynchburg had three men thrown out at the plate on account of overzealous base-runners. Friend, lastly released by Norfolk, had the pleasure of throwing his former fellows, doing this turn by clever pitching. The game was played under a threatening cloud. The score:

SOUTH ATLANTIC LEAGUE

AUGUSTA, July 27.—Stanton was too strong in the box for Columbia, and the locals won easily, due to the terrific hitting of Cole, who secured a home run, and also to the hitting of Mullin, Bush, Bierman and McLaughlin. Velscher, although pounded, remained in the box until the end of the game. Score by innings: R. H. E. Columbia 000000000—0 7 3. Augusta 000000000—7 11 1. Batteries: Wheeler and Coker; Stilton and Carson. Time, 1:50. Umpire, Truby.

CHARLESTON, S. C., July 27.—Charleston played an uphill game to-day after the first inning, but finally won from Jacksonville, 4 to 3. Neither team put up a hitting show. Gottell was almost driven from the mound in the fifth. Bierkott's home run between right and center was the longest inside hit made here this season. Score by innings: R. H. E. Charleston 000000000—10 10 0. Jacksonville 000000000—3 6 2. Batteries: Paige and Reisinger; Gottell and Roth. Time, 1:35. Umpire, Latham.

MACON, GA., July 27.—Two errors by Shortstop McLaughlin gave Savannah the only run of the game to-day. Both Clark and Keiber pitched well. Shea's catch was a feature. Score by innings: R. H. E. Savannah 000000000—2 5 4. Macon 000000000—0 3 3. Batteries: Kiebler and Moran; Clark and Robinson. Time, 1:45. Umpire, Buckley.

BROOKLYN, July 27.—Excellent batting by Jordan and Lumley of the home team, in the second game, forced Chicago to split even to-day's double-header with the Dodgers. The visitors won the first game, 3 to 1. In the second game, Jordan knocked out two home runs over the right field fence, one of which scored Albin, and the thriller came in the eighth, when, with two men out and the bases full, Lumley doubled to the center, scoring two men.

NORFOLK, VA., July 27.—With Chevalier in the box, and the rejuvenated Truikers showing plenty of ginger, under the management of Captain Lawrence, Portsmouth won to-day's game from Roanoke by the score of 2 to 0. It was a pitcher's battle between Chevalier and Reynolds, in which the Truikers were lucky to bunt things into the opening inning.

Lawrence's bunt, Billet's sacrifice, Gnadinger's single and Gulhean's double turned the trick nicely. The visitors were never in reach of home except in the first.

Manager Griffin has been unconditionally released, and Lawrence will be the field manager and act as captain.

LONG ENOUGH TO SAVE RAIN CHECKS

(Continued From First Page.)

gray dogs might have in store, footed it back to town in time to make the standing of the list of mishaps and accidents through which they were forced to pass, the Richmonders still preserved a smiling spirit and took everything with becoming grace and fortitude. They missed the game, but they enjoyed the trip.

Even Missed Their Dinner.
There was no procession back to the train. Everybody got to the depot the best way he could, a little broken, but nothing daunted. A few of the faithful tried to sleep coming back, but the others drove Morpheus bodily from the train.

The journey down was widely enthusiastic. Superintendent A. P. Conner and Trainmaster H. H. Hupphof, of the Southern Railway, were aboard, and a word from Mr. Conner into the engineer's ear cut off half an hour from the time in which the run is usually made.

The train was in charge of Conductor Butler, who seemed to enjoy the spirit of the occasion as much as any. Everybody got out of coat and collar, and dignity went to the winds. It was not necessary. Everybody knew everybody else before half the journey was done, and bottles were shared with a generosity characteristic of a social democracy. Sandwich sellers and vendors of soft drinks did a thriving trade, and everybody seemed satisfied.

The band played at every stop, exciting the villagers to such a pitch of enthusiasm that they were sorry when the train pulled out. Many got aboard at the wayside stations to be with the Richmond rooters. A few of the color-faithful were also on the train, and they shared the enthusiasm of the whites. They were much in evidence at the game.

St. Leo's Band played for the procession to the ball park, and after arriving at the grounds, Danville had out some sort of colored minstrel organization fantastically dressed and variously equipped.

The Danville management was as much disappointed as the Richmond contingent that the long looked for game could not be played. President Boatwright had the time of the game advanced in the hope that it could be finished before the downpour came.

Owner Bradley was as anxious for the game as the fans, and felt that the lawbreakers would do it, and he did. But after three and one-half innings, it was seen that further effort was useless, and the muddy field was given over to the vengeful elements.

The excursion was arranged by Messrs. John F. Heintz, Gus Bernier, H. O'Neal, P. Martin and William Note. They did their work well, but could not foresee the rain.

The game going only three and one-half innings, cannot be counted. The score was tied 1 to 1—Richmond getting two hits to Danville's one. The batteries were Sparks and Messitt; Walker and Ryan.

The game ran just long enough to keep the rain checks in the ticket window.

Bulletins from Danville were posted by The Times-Dispatch after each inning yesterday, a large crowd gathering in Main Street in front of the business office to read the returns. When the game ended at the end of the third, the rooters drifted away, though they were far more comfortable than their friends who went on the excursion.

JACK LEYBURN WINS GREAT RACE

DETROIT, MICH., July 28.—The Grand Circuit Inaugural at the State Fair Grounds had for a feature, a new two-horse race record, when Jack Leyburn won the free-for-all trot in 2:06 1-2 and 2:04 1-4. Conditions for the opening of the meeting were perfect.

In the first heat for the free-for-all, Jack Leyburn was leading comfortably when Margaret O. came up with a rush; but the gelding rallied and won the heat. Next time Margaret O. did not do so well, and Oro was second, but Jack Leyburn went the mile alone out in front, making the performance all the more creditable.

W. G. Durfee, of Los Angeles, won two events. In the slow trot his mare, Zomalia, forced Bracegirdle into the 2:10 list in the opening heat, then won the second in 2:05 1-2. A third went on and won the remaining two heats handsly.

The 2:05 pace was comparatively easy for Durfee and Oros, the stallion having the speed of the party and emerging with a mark of 2:04 1-4. Summary:

2:25 pace—pure, \$1,000, three in five heats—Zomalia, b. m., won the second, third and fourth heats. Best time, 2:08 1-2. Brainerd drove won the first heat. Time, 2:05 1-4. Ward, third.

2:18 pace—pure, \$1,000, three in five heats—Brownell, ch. h., won the first, second and third heats. Best time, 2:11 1-2. Kendig won the first and second heats. Best time, 2:12. Pender, Jr., third.

Free-for-all trot—pure, \$1,500, two in three heats—Jack Leyburn, ch. g., won in two heats. Best time, 2:04 1-4. Margaret O., second. Time, 2:06 1-2.

2:30 pace—pure, \$1,500, two in three heats—Copa de Oro, b. h., won in two heats. Best time, 2:04 1-4. Major Wallace, second; Bonanza, third.

RALEIGH FANS MOB UMPIRE

Police Take Part, and Free Fight Follows—Umpire Resigns.

[Special to The Times-Dispatch.]
RALEIGH, N. C., July 27.—The sensation of the season was precipitated in the fourth of the ninth inning of the Raleigh-Goldsboro game this afternoon, when Raleigh, having two men down and two on bases, Umpire Upchurch made rulings that were held to be grossly unjust and in line with others nearly as bad earlier in the game.

A number of men from the Goldsboro, led by Walter Sadler, leaped over the fence and made a dash for the umpire, who was standing on the base line. A constable Grym met and engaged them in a pitched fight, so that their attention was diverted from the game.

St. Leo's Band played for the procession to the ball park, and after arriving at the grounds, Danville had out some sort of colored minstrel organization fantastically dressed and variously equipped.

The Danville management was as much disappointed as the Richmond contingent that the long looked for game could not be played. President Boatwright had the time of the game advanced in the hope that it could be finished before the downpour came.

Wise Talks by the Office Boy

I was explaining to you about the fake rebate sales where by pricing a few \$20 suits at \$30 and telling you 'have one' for \$22.50 you are really paying \$5.50 more than the suit is worth. Instead of realizing a saving of \$7.50 on your purchase, and how the same suit or one equally good or better, priced at \$20, its actual worth, sold here during our semi-annual clearance sale at \$16. The boss says to me: 'Willie, let me tell you a thing or two about merchandising and just roll it around in your mind awhile. No straight, legitimate merchant is entitled to or tries to make over 10 per cent. net on his merchandise, and the merchant who does not make from 5 to 10 per cent. cannot remain in business. One of the cost of doing business in most cities is 20 per cent. This includes rent, salaries, light, insurance, taxes, etc. Take a suit of clothes that costs, say \$1. That suit is made to retail by high class houses at \$20, the cost of selling is \$4 and the profit is \$16. Do you suppose any store would sell a suit for \$1.50? No, they merely marked it up to \$25 or \$30. My advice to every one is to buy at the lowest possible price and discourage that sort of thing. It hurts the town.' You trade with us, don't you?
